## 2024 FIRST Program | Soybean Products Tested

Harvest reports will identify company as shown in bold. † See last page for abbreviation descriptions. ‡ Suffix GC = grower comparison, CK = check. Products and Regions in BOLD identify hybrids tested in both 2024 & 2023. Regions in BLUE identify products that placed in the regional Top 30 in 2023. Maturity test abbreviations are "a" early-, "b" full-season, none all-season.
